SUBJECT: FOIA DON-USMC-2022-006702

Dear Mr. Kolker:

This responds to your FOIA request dated April 5, 2022, which requests a copy of "maintenance records (a/k/a "motor pool" records) related to an M1123 HMMWV that I recently purchased. The USMC vehicle registration number is 600682. The manufacturer's serial number is 187989. Finally, the tailgate has stenciled markings that say "USMC 600682." I would also like to see a document that indicates the make, model and year of manufacture of this vehicle."

The requested documents are enclosed.

Fees associated with processing your request are minimal and waived.

Any questions concerning this matter should be directed to Mrs. Bobbie Cave at (703) 432-3934 or bobbie.cave@usmc.mil.

Sincerely,

Bobbie Cave
